

34th Thermal & Fluids Analysis Workshop (TFAWS)

August 21-25 2023

**The Hotel at The University of Maryland
7777 Baltimore Ave, College Park, MD 20740**

Hosted by NASA Goddard Space Flight Center
Sponsored by the NASA Engineering and Safety Center (NESC)

PURPOSE

To provide a forum for knowledge sharing, professional development, and networking throughout the thermal fluids engineering community of NASA, universities, and the aerospace industry worldwide.

FEATURING

Paper Sessions
Hands on Software Training
Thermal Hardware Training
Technical Short Courses
Guest Speakers

AUDIENCE

Engineers
Scientists
Industry
Government
Educators
Students

TECHNICAL AREAS OF FOCUS

Active Thermal
Aerothermal
Passive Thermal
Interdisciplinary
Cryogenics

FREE REGISTRATION FOR ALL ATTENDEES

Accepting abstracts at this time, please visit our website

All levels of experience are welcome
